

Leadership Structure – 2018/19

RWST Executive Group

Chief Executive Officer	Philippa Nunn	
Head Teachers	Rebecca Poole	Hampton High
	Assal Ruse	Twickenham School
School Business Managers	Rakhi Batra	(Lead for Finance)
	Helen Clarke	(Lead for Premises, HR, IT, Policies)

The CEO leads RWST and line manages both head teachers. The SBMs are line managed by the head teachers in each school and RWST work is directed through them by the CEO. Broadly speaking, 70% of the work is at school-level and 30% at RWST-level although this will change at different times of the year. All RWST work relates to only the two schools and is done to make the schools more efficient and to meet statutory requirements for the multi-academy trust, for example HR policy, accounting procedures, maximising income etc.

Other RWST staff

There are a number of staff who are shared across both schools, and whom help with efficiency and procedures. Examples of these are the data officer, ICT staff and the finance team.
